To our Friends & Valued Customers:

Summer has been rolling by fast, and Labor Day is not far off. I hope that during the busy summer you all found time to get away and have some fun! With Labor Day coming that means it's back to school time, and with it all its preparation. The family car and the cars going off to college may need to get prepared for school as well. I know this is also a time when our budgets are stretched to their limits. So let PRO-TECH AUTO REPAIR help avoid those calls from school about car problems and save you money doing it. We are offering you and your family and friends this money saving, oil change and inspection special. **To take advantage of this special, call 763-420-3060 before October 7, 2018.**

PLEASE PRESENT FLIER PRIOR TO SERVICE!

Have a great and safe summer!

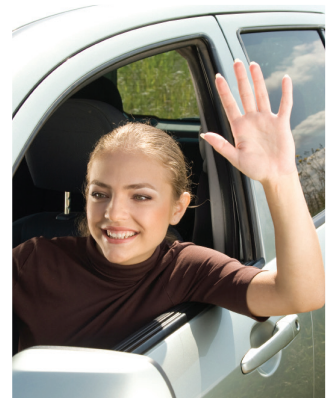

Tom Gleason
